

SP298 Dot Matrix Slip Printer

Features

- **AutoSide Loading™**
- **Epson TM295/290 Compatible**
- **Prints company branded pre-printed multi-part forms**
- **Small footprint**
- **Auto-alignment for adding items to a document**
- **Epson TM295 compatible with same size footprint and interchangeable power supply**

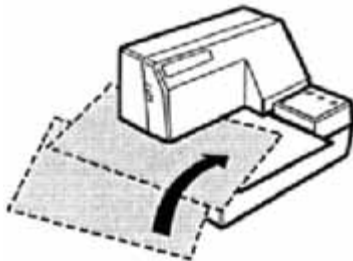

The SP298 printer features unique paper AutoSide Loading™ making document loading quick, easy and reliable. The user can simply introduce a form into the side of the station and the printer performs automatic document clamping, instant top of form alignment, fast printing and selectable forward or reverse document eject.

Applications

- Hotels
- Restaurants
- POS
