

TCX-21/22

Series

Electronic Time Clock

Engineered for value, simplicity and durability, the Amano TCX-21/22 Series electronic time clock offers reliability for local (Model TCX-21) and remote applications (Model TCX-22).

The battery-operated model TCX-22 maintains normal operation for one week and/or 5,000 prints, making the unit ideal for use in facilities without AC power available.

Electronic Time Clock

TCX-21/22

FRONT (TCX-22)

LED aids in visual time card alignment

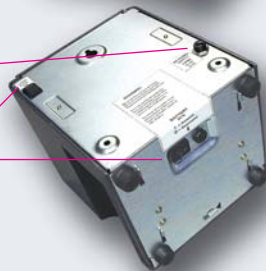

BACK (TCX-22)

AC adapter input

LED on switch

Battery on/off switch
